

To Compassionate Friends Chapter Leaders and Members

RE: Butterfly Boutique at the 2020 Conference in Atlanta

I am Judy Cannon (Lindsey's mom) and I am a member of the Marietta GA Chapter of Compassionate Friends. Pamela Frossard (Nicholas's mom) is a co-leader of our chapter. We have volunteered to co-chair the Butterfly Boutique at the upcoming 2020 TCF National Conference, "Sharing Sweet Memories of Love", that will be held in Atlanta, GA on July 24 - 26, 2020 and we need your help.

We would like you to please put this Request for Donations in your next newsletter and as often as you can for the next few months, to announce this to your membership:

In order to be successful and raise money we need donations of items to sell. We would like to have new and gently used pre-owned items. We need anything that you have purchased, created, or were given that has angels, butterflies, hearts, hummingbirds, dragonflies or any other appropriate subject matter. It could be jewelry (pins, earrings, rings, necklaces, ankle bracelets) or jewelry boxes, scarf or a tote bag... a candle or coasters.... could be a Christmas ornament or decoration... kitchen or bath towel (new of course), framed pictures, artwork or handmade items...Seraphim angels or Susan Lordi Willow Tree, Butterflies on anything ..a night light or magnet ..note paper, a pen, something you may have purchased and never used...even heart things...wallet, a watch. At the prior national conference they even sold items that did not have butterflies or hearts like Coach wallets and Vera Bradley items...so any and all items that can be sold would be greatly appreciated. Making a donation is a wonderful way to honor the memory of a child.

If you would like a donation receipt, please let us know. TCF is a 501(c)(3) non-profit organization. Please help by asking at your meeting, since we do get different things from different people.

Please collect the items and send them to me (my address is below) by June 15, 2020, so that they can be sorted, marked for sale, and listed. Give us a call if you have any questions. We, at TCF, would be so appreciative.
